Serving Low-Income Women Entrepreneurs

Founded in 1988, our mission is to assist low-income women of diverse ethnic and social backgrounds in becoming economically self-sufficient through entrepreneurial activities. A leader in the microenterprise field, Women's Initiative provides low-income women with the opportunity to create jobs for themselves and others and to increase their economic self-sufficiency. Services are provided in Spanish through our Alternativas para Latinas en Autosuficiencia (ALAS) program.
