

"Being invited to speak at a recent Women's Initiative graduation ceremony was truly an eye opening experience for me. The amount of knowledge, enthusiasm, and potential within that one graduating class was truly astronomical. Women's Initiative is definitely meeting its mission. It was an honor to have been invited to be a part of that mission."

"Participating in the ALAS graduation was truly uplifting and motivational for me as a Latina professional. The ALAS women exude tremendous dedication, perseverance and passion for their life dreams. It is truly humbling and inspiring to see their amazing strength as they each tackle many challenges in their everyday lives. These women are role models for the entire community!"

Keynote Speaker at Women's Initiative Graduations

Keynote Speakers are honored during our graduations, networking events and conferences. There are 13 graduations a year in Spanish and English. Graduations are held monthly in Marin, Richmond, San Francisco, Oakland, Concord and San Jose. The graduations occur in the morning and the evening.

Business Connector's Role

The role of the Keynote Speaker is to motivate and inspire the graduating class. They will address both their professional and personal experience as a business professional. The business connector will contribute what has made them successful as a business woman. The Keynote Speaker is a role model to the graduating class.

Time Commitment

2 hours

Graduations are held each month and vary in location. The keynote speaker speaks for 20 minutes, before the diplomas are awarded.

Registration for the Events

If the Business Connector is interested in speaking in Spanish or English at our graduation, the business connector fills out an application indicating their interest in the appropriate field. If the business connector has filled out an application, and has not received current information about the networking events, contact Kelly McKae at 415-320-5936 or by email at kmckae@womensinitiative.org.
